The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-288-5703. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-844-288-5703 to request a copy.

| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | Network providers: \$3,300/individual or \$6,400/family Out-of-network provider: \$3,300/individual or \$6,400/family    | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. The <u>deductible</u> is <b>Embedded</b> . If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  Deductible year runs 01/01 – 12/31                                 |
| Are there services covered before you meet your deductible?          | Yes. Preventive care services are covered before you meet your deductible.   | This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive</u> <u>care</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Network providers: \$6,000/individual or \$9,000/family Out-of-network providers: \$10,000/individual or \$20,000/family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. The <u>out-of-pocket limit</u> is <b>Embedded</b> . If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?             | Premiums, balance billing charges, and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See  www.FreedomPrepBenefits.com or call 1-844-288-5703 for a list of network providers.                            | This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).  |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.  | You can see the specialist you choose without a referral.   |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
